

B) Amendments to the Drawing sheets:

1) The original filed drawings sheets were hand annotated, incorrectly scanned for the IFW, and contained numerous minor errors. A more legible replacement set of corrected drawing sheets accompany this submission.

2) A marked-up copy showing the changes to the originally filed drawings or Ref. Chars. also accompany this submission. Each change to a Ref. Char. or element in the drawing is detailed in this marked up copy. A physical printout of the marked-up copy with the changes indicated in red color is available on request.

3) Changes made to the Ref. Chars. in the drawing sheets will not materially affect the examination of the application with respect to the subject matter claimed. The applicant reserved the right to file further corrections to the specification and drawings sheets as necessary. All such corrections do not materially change the subject matter claimed.
